EMERGENCY DIG

Land is being cleared at 'The Rise' Marangaroo Drive. Orchids abound in this area and the Group has been given permission to excavate plants.

It is not proposed to have a formal dig at this stage but members are encouraged to rescue what plants they can. A formal notice will be given by one of our orchid 'spotters' Mrs Joni Eaton at our next meeting.

NAME BADGES

Please wear them at Club Functions. We know who we are but others may not! Badges are obtainable from the Secretary.
