NAME CHANGES

At the March meeting Andy Brown pointed out that it was not up to him to decide what changes proposed are correct, it is up to the people to decide whether to accept or reject any of the proposals.

He then read out an incomplete list of proposed changes. He will provide a list for publication in our Bulletin when all the proposed changes are finalised.

EMAIL ADDRESS

Several members of the Group have computers and some are connected to the net.

The Group wishes to add email addresses to the membership list.

All members willing to provide their email address please advise the secretary.

FIELD TRIP PROCEEDURES

Remember the rule, keep the following vehicle in sight. If it falls behind then slow down till it catches up.

Most importantly when you turn, stop at the turning point till you are sure the following vehicle is going to turn.

No participant in a field trip is exempt from these two important rules.

FIELD TRIPS

Please ensure you have sufficient fuel to get you through the field trips.

Please advise the Field Trip Coordinator; phone [REDACTED] if you intend participating.

It is important that you advise the Field Trip Coordinator because then you can be advised of any change of plans, etc.

The field trips listed are proposed and are subject to change if needed.
